Mines and Mining.

TURSDAY, Nov. 29-6 P. M. The only new feature of the transactions of the day has been the large sales of Potomac. It was in tolerable de. mand at 1½ cash, and 1½ buyer 30. Great expectations have been formed of the new mines which are about to be worked in Tennessee under the Potomac Company; and it is probable that between this and March, when the scrip of the Isabella will be distributed, the stock will rise much higher than it is. Whether rightly or wrongly, people are beginning to have faith in Tennessee. The old hack-neyed fancies could not be seld Holders of Ulster adneyed fancies could not be seld Holders of Ulster advanced somewhat in their demands; but purchasers did not follow the lead. It has fallen full ½ during the past fortsight, and must go lower before a change takes place. Those who desire to invest will perhaps have a chance to do so at 1 before very long. There was some coquetting with McCulloch at 7½ and 8, without sales. We trust we shall have some reliable information from this vein in a few days. North Carolina has ceased to be in active de-
